

2 - 4 If you face a financial difficulty

(1) District Welfare/Child Commissioner

Each commissioner works in his/her assigned area. In response to the consultations from people who seek support, such as economically needy people or seniors living alone, commissioners provide advice and information about welfare services.

Inquiries : 06-6858-2219 (Local Welfare Div. [Chiiki Kyosei Ka])

(2) Social Welfare Council

The Social Welfare Council is a private body placed at every municipality in Japan. They aim to solve daily life problems that are difficult to address for a private person cooperating with the city as well as specialized agencies and local volunteers. Please feel free to consult them about child-raising, domestic routines, livelihood rehabilitation, volunteering and other concerns.
